DECISION AND CERTIFICATION OF RESULTS OF ELECTION

The National Labor Relations Board has considered objections to a secret-ballot election held January 21, 2015, and the Hearing Officer's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 32 ballots cast for the Petitioner, and 54 ballots cast against the participating labor organization. There were 9 challenged ballots, an insufficient number to affect the results.

No exceptions have been filed to the hearing officer's report within the time provided. Accordingly, the Board adopts the Hearing Officer's findings and recommendations, and finds that a certification of results of election should be issued.¹

¹ The Hearing Officer recommended overruling the Petitioner's objections in their entirety.

CERTIFICATION OF RESULTS OF ELECTION

IT IS CERTIFIED that a majority of the valid ballots have not been cast for Service Employees International Union, National Conference of Firemen & Oilers District of 32BJ, and that it is not the exclusive collective-bargaining representative of these bargaining unit employees.

Dated, Washington, D.C., April 3, 2015.
